If we don't have an activity you are interested in then don't hesitate to suggest it. There may be other members willing to work with you to make it happen.

### Dinners

Our volunteers do an outstanding job putting together our frequent dinners celebrating holidays and the last Friday of every month. And the menu includes a vegetarian option

### Dances

Something many of us love to do is dance to live music provided by area musicians.

And believe me, we really do love to dance!

### Ice Cream Socials

Something that is guaranteed to bring people together is ice cream! Three afternoons per week our members may be found indulging and enjoying each other's company in our aptly named Friendship Hall.

### Visiting friends and neighbors

Like idyllic communities of yesteryears our members sit out on our patios or stroll through our lovely park. Everywhere you look you often see members talking, laughing and just enjoying each other's company. Since we are all RVers and have traveled extensively we have great stories to share.

### Birthday Parties

Members frequently celebrate significant birthdays with family and friends including other members, the friends they have not met! It is another great way to meet others in the community.

## Eating Out

Some of our members regularly get together to eat in local restaurants for good food and great conversation. “Mad Hatters” is for gals and “Romeos and Juliets” is for couples.

## Happy Hour

It's BYOB every Friday when many members get together in our Friendship Hall or on our beautiful patio by the pool for relaxed conversation with friends.

## Outings

Periodically we have organized outings. These could include tours of area wineries and trips to shows or events in the “big city”.

## Games

We have games galore! They're all fun and they do get us together. Bridge, Poker, Mah Jongg, Bingo, Ping Pong to name just a few.

## Other Activities

More ways we get together include book club, writing group, sewing group, singing, music jam, gourmet cooking, Line Dancing classes, Square Dancing and classes in our Craft Room, Art Center and Pottery Studio.

## Best of all - Volunteering!

Volunteering is the glue that binds us together as a community. It is one of the best ways to be with friends, get to know your neighbors as well as other members of the community.

No matter what your interests are or your physical abilities ...

... we are confident there is something here that you will find fun and rewarding to do with people you will enjoy getting to know.

## Come see our beautiful park!

Welcome to our seasonal “home base”! We are a 55+ cooperative community located in Southern California's high desert. We love the mild winters and our views. Our 283 sites are large, about 50 feet by 70 feet in size, and include a concrete pad as well as a shed.

## Come meet our members!

Our members are our greatest asset! We are friendly and generous with our time and talents. Our members happily embrace Jojoba's strong tradition of volunteerism and continually strive to maintain and improve our community. What is the secret of Jojoba Hills's success? We call it “*co-opportunity*”!
