

Jojoba Hills

SKP RV Resort

Jojobians love to volunteer!

Our park was built by volunteers and we proudly continue the tradition. It not only keeps our maintenance costs down it is the glue that binds us together. Opportunities to contribute are varied and many.

- Plan and prepare for our social events
- Handle day to day operations
- Help maintain our park
- Support our members
- Maintain our high standards
- Ensure the safety of others
- Raise funds
- Share knowledge and skills
- Help other members
- Provide leadership

If you are not interested in volunteering then Jojoba Hills may not be the place for you. However, if you want to be part of something special and are willing to pitch in then we are confident you will find a way to contribute to YOUR community that is rewarding and fun!

We have committees that...

Organize our many social events

If there is anything we enjoy doing at Jojoba it is getting together for good food, great company, music and dancing. We have numerous committees and many volunteers who make it all happen from decorating Friendship Hall, arranging for entertainment to cooking and serving food. Not to mention the surprisingly fun activity of cleaning up afterwards. Many hands make light work!

Handle day to day operations

While routine cleaning is done by paid staff our members take care of many behind the scenes activities such as sorting the mail, helping in the office, filling propane tanks, recycling and maintaining our pool and spas.

We also have committees that...

Support our members

We have committees that support our members throughout their time at Jojoba beginning with that first visit to our park. Committee members welcome new members, support them through times of hardship and assist them to decide what's next when they are no longer able to live independently. Perhaps the most popular are the members who carry on the Jojoba Hills tradition of baking and delivering cookies to our many volunteers working throughout the park.

Ensure the safety of others

We have committees which support members during medical emergencies and help prepare for natural disasters. We have committees that clean and maintain tools and equipment as well as instruct members in safe usage.

Maintain our high standards

We have committees that ensure that any alterations made to the exterior of a member's site remain within our park's guidelines. These committees also oversee proposed changes to our common areas, both interior and exterior again to maintain our standards.

Our members contribute by...

Sharing their skills

Our members generously share their skills and knowledge with each other. Member taught classes may include watercolors, drawing, pottery, wood carving, quilting, knitting, Line Dancing, Zumba, hand weights, Yoga, Pickleball *and more!*

Raising funds

Hilltoppers, our membership organization, funds a multitude of fun events and maintains many of the amenities at Jojoba. Most funds come from our annual Yard Sale as well as our Internet Sellers plus several fundraisers.

Helping other members

We are a community in every sense of the word. No matter what the need is there are members more than ready to pitch in; a ride into town, building a deck/ramp, you name it!

Our members also...

Provide leadership

Leadership opportunities include serving on our Board of Directors or on Hilltoppers, our membership organization. Plus there are committees under the Board, Hilltoppers and our General Manager that deal with issues regarding the governance, operations as well as our many amenities and our fun activities.

Help maintain our park

Our park was built by volunteers and we keep our Founder's dream alive by continuing to maintain and improve it. We often work with our paid maintenance staff on landscaping and construction projects. Our efforts drastically reduce our park's operating costs and our monthly maintenance fees.

Come see our beautiful park!

Welcome to our seasonal "home base"! We are a 55+ cooperative community located in Southern California's high desert. We love the mild winters and our views. Our 283 sites are large, about 50 feet by 70 feet in size, and include a concrete pad as well as a shed.

Come meet our members!

Our members are our greatest asset! We are friendly and generous with our time and talents. Our members happily embrace Jojoba's strong tradition of volunteerism and continually strive to maintain and improve our community. What is the secret of Jojoba Hills's success? We call it "*co-opportunity*"!

Come see where YOU fit in!
